 - Because of Covid 19, conference and professional development opportunities were canceled. We would like to carry over all of the remaining funds from goal #1 into the 2021/2022 plan.
 - We have spent \$1250.83 on professional development for the 2020/2021 school year, the professional development we have done meets the criteria for goal #1 so we will use goal #1 funds to pay for those opportunities.
