**THE STAFF AND ADMINISTRATION**

## **STUDENT CONDUCT**

- 1. Students will respect the rights and property of themselves and others.**
- 2. Students will behave in such a manner as to contribute to a positive learning environment.**
- 3. Students will respect the health and safety of themselves and others.**

Individual school officials and classroom teachers may develop more specific rules for students. The rules must also be consistent with Board policy and philosophy. These guidelines are in effect at all events sponsored by the Tintic School District, including off-campus events, on the way to and from school, and including school-sponsored transportation.

## **Parent Notification**

When a student has been given the concerted effort by school personnel to correct a problem, the principal or his/her designee will make a reasonable effort to contact and inform the parent or guardian. When students are suspended during the school day and are sent home, the school will notify the parent or guardian of the action. In addition, the student will be given a written notice of suspension, which the student should deliver to the parent or guardian immediately. Copies may be mailed home.

## **DRESS CODE**

### **REGISTRATION AND WITHDRAWALS**

#### **Preschool**

We encourage all parents of 3 and 4-year-old children to come and have their child assessed for our preschool class this year. Preschool will be for children that are 4 years old and those 3-year-old students that qualify. Children will come three days a week (Tuesday, Wednesday, and Thursday) for a tuition fee of \$45.00 per month. **The tuition fee must be paid by the first class day of each month.**

If you want to enroll your child in preschool, please contact the school to register him or her. You will be contacted with a time scheduled for your child's preschool assessment. This year the class will be from 8:45 AM to 11:45 AM.

### **Kindergarten**

Parents of incoming students are invited to the school in the spring for kindergarten registration. This gives parents the opportunity to meet the teacher, ask questions, and learn about requirements. Parents and children are invited to visit the kindergarten classroom prior to entering kindergarten. This year Kindergarten is held all day, Monday through Thursday, beginning at 8:05 and ending at 3:20.

### **New Students K-6**

All students must have:

An up-to-date immunization record or current exemption.

Birth certificate

Address of the previous school attended

The following forms need to be signed by the parent: bus form, counseling form, health form, and internet acceptable use. These forms need to be updated yearly. Students who have been homeschooled will be tested to determine the appropriate placement level. Vision and hearing screening will be provided by the school.

### **Withdrawals**

When your student withdraws from our school, please check with the classroom teacher in time to look for any books that may be left at home. When they enroll in a new school, records from Eureka Elementary will be sent to the new school. The school secretary will provide a copy of shot records for parents to take to the new school to help students enroll.

## **ATTENDANCE**

### **Absences**

We believe that a child cannot meet his/her potential unless attendance at school is regular. Classroom activities and lessons involve teacher and classmate interaction. Textbook work is only a small part of the curriculum but is often the only type of work that can be made up when class is missed.

### **Tardies**

Students are expected to be at school on time and ready to learn. Since the stage is often set in the first few minutes of class, students coming in late are a disruption to the learning environment. Those who come in late should report directly to the office before going to class.

Students are also expected to come in promptly when the bells ring to end recess so as not to cause disruption to the learning environment.

## **GENERAL SCHOOL INFORMATION**

### **Items From Home**

A school is a place for learning. When students bring toys and other valuables with them it distracts them, as well as other students from learning. Students may bring items for the purpose of 'Show and Tell' if the teacher permits. Leave things of value, toys (electronic devices, etc.) as well as money at home. Neither the teacher nor the school will be responsible for items that are broken, lost, or stolen.

### **Office Phone**

In order for students to use this phone, they will need a phone pass from their teacher. Students will not be allowed to call after school to arrange to go to a classmate's house after school. These arrangements need to be made from home before school.

### **Breakfast and Lunch**

Breakfast will be served from 7:30 to 7:55. Students may bring a lunch from home or go home for lunch. If a student is to go home for lunch, the secretary and teacher will need to have a note from the parent.

You can pay for lunches daily, weekly, or monthly. All payments need to be done in the office and not at the lunch counter. Prices are K-6, \$1.25 Breakfast; \$2.00 Lunch; Reduced Breakfast \$.30, Lunch \$.40, Adult lunch-\$3.50. Parents are encouraged to fill out a lunch form. **For the 2021-2022 school year all students will receive free breakfast and lunch at the school.** Students getting a school lunch are provided one carton of milk. If they want additional milk, they must pay .25 cents before they can get that additional beverage. Students that bring a home lunch can pay for a beverage at the school's main office. Water will be available for all students.

### **Gum Policy**

Gum is not allowed in the school at any time.

### **Recesses**

Students will have a 15-minute recess. An employee will always be on recess duty when a recess is taking place. The recess may be inside or outside depending on the weather. Inside recess will be held on the stage. The Nugget, classrooms, and halls are off-limits since there is no way for the teacher to supervise that many areas at one time.

### **School Visitors**

Anyone visiting the school during school hours must enter through the front door, report to the office, sign in and state the reason for the visit. If you are coming to see your child or to check out your child the student will be called to the office. We feel that fewer disruptions in the classrooms during instructional time are best for student achievement. Using the front door will assist us in providing a safer school for all. Students visiting from another district are not permitted to attend classes with enrolled pupils.

### **Emergency Policy**

In case of an emergency, students will remain at the school until a parent, babysitter, grandparent, or other person listed on the student information card on Infinite Campus can pick the child up. The school is equipped with first aid kits in each class and faculty members have been instructed on what to do in case of an emergency. It is very important that you have listed several relatives or friends that would be able to pick up your child in case of an emergency. Under no circumstances will we be able to let your child go with anyone who is not on the information sheet. Please update your child's information sheet at the first of each year. There must be someone listed on the sheet that is available to take your child during the day.

### **Parent-teacher conferences**

PTC's are held three times this school year. All of our PTC's will be after normal school hours and will be held from 4:30 to 8PM. Our Fall PTC's are scheduled for Wed/Thur September 22nd and 23rd. The school will be dismissed and each student with his/her parent(s) will meet with the teacher. The purpose of this meeting is to discuss the strengths and weaknesses of the student and to decide on academic goals which students will work on with the support and

assistance from both the teacher and the parents. Parents will receive a copy of the form that the student, teacher, and parent have all signed, and the PTC will remain in the student's permanent record folder. We will also have PTC's on February 2nd and 3rd and again on April 27th and 28th.

### **Testing**

State tests (in addition to book tests and specific skills tests) are given at the end of the school year. These tests are used to assess student achievement in the Core subject areas. Currently, these tests are given in Language Arts, Math, and Science. Reading assessments are administered individually and in groups to determine student progress and needs for instruction. Additional tests will be given in any subject throughout the year to assess student needs and progress.

### **Special Education**

Eureka Elementary has a variety of students with different talents and abilities. It is an expectation that each student will give every effort academically and socially. Special Education services are provided to students who qualify for such services.

### **Child Find Statement**

Tintic School District actively seeks to locate, identify, and refer children from birth to age 21 who require special education and related services in order to assist them and their families. If you are concerned about a child's development, you are encouraged to contact our special education teacher at Eureka Elementary School for assistance.

### **Section 504**

Free appropriate education is provided by the elementary school to all students. Some students who do not qualify for special education may need accommodations in order to meet their educational needs. Students who have a physical or mental disability that substantially limits one or more of life's major activities are covered under Section 504. The determination of services and accommodations must be made by a group of persons knowledgeable about the student. The parents must be included in the process whenever possible. For more information about Section 504, please call the District Office.

### **Speech Therapist**

The speech therapist works part-time to provide hearing and sight screening tests, provide suggestions for specific student needs and speech lessons.

### **Support Services**

The role of support services is to provide school-related social development skills for any students for whom the service is requested. Teachers, parents, or administrators can make a referral for an individual student. Crisis management and responsive services will also be available.

### **PTO**

This organization does a great deal to make school a more pleasant place for children. They provide goodies, reward achievements, design operetta costumes, and some other activities during the year. We encourage all parents to help and participate in making the school year memorable for all our kids. PTO will accept donations to help with costs.

### **School Pictures**

This year we are planning on Memory Lane Photography meeting our school picture needs. The school invites a photographer to take pictures of students early in the fall on September 23rd. Prices are reasonable, and we try to get photographers who are easy to work with and take quality pictures. Parents will receive notice before picture day.

### **Video Use In School**

Because of copyright laws, students are not allowed to bring videos from home. Teachers must comply with all copyright laws in the use of instructional videos in their classrooms.

### **Operetta**

The Christmas Operetta takes a great deal of time in November and December. All children have a part and are encouraged to participate. Costumes are the responsibility of the room mothers to design and the parents to provide. This performance will be on the 21st of December 2021 at 1:30 and 6:30.

### **Read-a-Thon**

At the end of January, our school participates in a school Read-a-Thon to make reading for pleasure a fun whole-school activity. Participation by the lower grades is at the discretion of the teachers, but the upper-level students all participate. On the day of the Read-a-Thon students may bring pillows, blankets, or sleeping bags to lie on. The Read-a-Thon begins after the morning recess, about 11:00, and students and teachers read until lunchtime. When lunch recess is over, the reading resumes. Children will be given a bathroom break and will continue reading until the end of school.

### **Pentathlon**

Eureka Elementary has a track and field event called the Pentathlon every spring for grades 4-6. Please be sure your child has plenty of sunscreen for these events during the Pentathlon. Students compete in basketball, 50-yard dash, long jump, softball throw, and shot putt. During this time grades, 1-3 have their own class activities.

### **Class Parties**

Parties are held in each class for rewards or to celebrate holidays. On occasion, the PTO and room mothers might be asked to help. Treats brought by students to share with the class must not be homemade and they need to be individually wrapped. On occasion, the PTO and room mothers will be asked to help.

## **Administration of Medications**

Appropriately trained school personnel shall be authorized to assist students in the administration of prescription medication or to administer prescription medication to students while on school property or off-campus on official school business when failure to take such medication during the school day could jeopardize the student's health.

### **PROCEDURE**

### **Receipt and Inventory**

### **END OF YEAR ACADEMIC AWARDS**

This year each child in the school is eligible to earn two end-of-year academic awards. Specific goals have been established for each award. If a student reaches the established goal by the end of the year they will receive that award at the awards assembly on the last day of school. If they achieve both goals they will receive two awards.
