School Land Trust Plan 2019-2020

Pending School Board approval at the 16 March, 2020 Tintic School District Board Meeting

Proposed Amendments

Goal 2: 83% of our students will read at or above grade level or make at least one years progress by the end of the 2019-2020 school year.

1. With the need for decodable texts for our new literacy plans, the council voted and approved \$5,000 from the science goal to purchase some decodable books to match our improved literacy instruction. We are in need of these books for our literacy lesson library and our home reading library. Many teachers had not spent all of the money in our science goal and wanted to propose this to the council.
