[Utah Code § 53G-9-601\(5\) \(2024\)](#)

11. “Hazing” means a school employee or student intentionally, knowingly, or recklessly committing an act that:

- a. meets one of the following:

Conduct Warranting Discipline—

A student may be disciplined for the conduct described below. The type of discipline imposed will depend on the nature of the particular conduct.

1. Conduct Which May Warrant, But Does Not Require, Suspension or Expulsion:
 - a. A student may be disciplined for the following prohibited conduct when it occurs in a school building, or on or in proximity to school property; in conjunction with any school sponsored activity; in or on a school vehicle; is directed at or against another student or a district employee; or when it threatens harm or does harm to the school, school property, a person associated with the school, or property of a person associated with the school.
 - i. Unlawful conduct, as that is defined above.
 - ii. Frequent or flagrant willful disobedience, defiance of proper authority, or disruptive behavior, including the use of foul, profane, vulgar, or abusive language.
 - iii. Willful destruction, defacing, or damaging of school property.
 - iv. Behavior, or threatened behavior, which poses an immediate and significant threat to the welfare, safety or morals of other students or school personnel or to the operation of the school.
 - v. Disruptive behavior, as that is defined above.
 - vi. Possession or use of pornographic material on school property that would constitute a misdemeanor offense under [Utah Code § 76-10-1235](#). (This includes accessing such material through the District computer network or by using any District-owned device.)
 - vii. Bullying, abusive conduct, cyberbullying, retaliation, and making false allegations of bullying, bullying or retaliation. See Policy FGAD.
 - viii. Use of an electronic device or camera to record sounds or images or otherwise capture material in an unauthorized setting or at an unauthorized time shall subject the user of the device to increased discipline based on the circumstances and whether the student has been involved in prior violations of this policy.

1. Use of a device or an electronic device or camera to threaten, intimidate or embarrass another or to capture and transmit test information or any other information in a manner constituting fraud, theft or academic dishonesty may result in an immediate suspension.
- ix. Use of a device in a manner which may be physically harmful to another person, such as shining a laser in the eyes of another student, may result in an immediate suspension. When a student repeatedly engages in such behavior, the punishment may be increased as is appropriate.
- b. Selling, giving, delivering, transferring, possessing, controlling, or distributing an alcoholic beverage on or in proximity to school property or at or in proximity to any school sponsored event. See FHAA.
- c. Selling, giving, delivering, transferring, possessing, controlling, or distributing tobacco products on or in proximity to school property or at or in proximity to any school sponsored event. Students shall not smoke or use tobacco products on school property or at any school-related or school-sanctioned activity on or off school property. "Tobacco products" includes an electronic cigarette or electronic cigarette product as that has been defined by state law ([Utah Code § 76-10-101](#)). See FHAG.
- d. Being under the influence of an alcoholic beverage or controlled substance on or in proximity to school property or at or in proximity to any school sponsored event. See FHAA.
- e. Engaging in, assisting, permitting, or otherwise being involved in hazing, as provided by the District's policy prohibiting hazing, Policy FGAD.
[Utah Code § 53G-8-205\(1\) \(2024\)](#)
[Utah Code § 53G-8-602 \(2018\)](#)
[Utah Code § 53G-8-209 \(2020\)](#)
- f. Engaging in conduct that contains the elements of the offense of arson or aggravated arson under the Utah Criminal Code.
[Utah Code § 76-6-102 \(2023\)](#)
[Utah Code § 76-6-103 \(2023\)](#)
- g. Engaging in conduct that contains the elements of any felony.
- h. Sexual Harassment.
- i. Gang-related activity: A "gang" as defined in this policy means any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more criminal acts, which has an identifiable name or identifying sign or symbol, and whose members individually or collectively engage in or have engaged in a pattern of criminal gang activity. Gang-related activity includes but is not limited to:

- i. Wearing, possessing, using or distributing, displaying or selling any clothing, jewelry, emblem, badge, symbol, sign or other things which evidence membership in a gang.
- ii. Use of a name associated with or attributable to a gang;
- iii. Designating "turf" or an area for gang activity or occupation.

Be aware that there are challenging constitutional issues related to policies dealing with gang-related attire as the policy impacts students' First Amendment speech rights. A school should be able to document evidence of real and substantial problems caused by, or at least reasonably likely to be caused by, gang clothing. In designing a dress code, school authorities should focus on problems if they exist. A school may choose to develop a specific list of clothing and accessories that "evidence membership in a gang." Such lists must be flexible to adapt to shifts in fashion styles. Students must be given ample notice of the list and any amendments. The policy should also include an appeals process that allows students to dispute that particular clothing deemed gang related is actually not gang regalia.

2. Conduct Which Requires Suspension or Expulsion

- a. A student shall be suspended (out-of-school suspension) or expelled from school for a serious violation affecting another student or a staff member, or a serious violation when it occurs in a school building, in or on school property; or in conjunction with any school sponsored activity including:
 - i. The sale, control, delivery, transfer or distribution of a drug or controlled substance, as defined in [Utah Code § 58-37-2](#), an imitation controlled substance, as defined in [Utah Code § 58-37b-2](#), or drug paraphernalia as defined in [Utah Code § 58-37a-3](#) (See Policy FHAA); or
 - ii. The actual use of violence or sexual misconduct; or
 - iii. The actual or threatened use of a look-alike weapon with intent to intimidate another person or to disrupt normal school activities; or
 - iv. Commission of an act involving the use of force or the threatened use of force which if committed by an adult would be a felony or class A misdemeanor; or
 - v. Making a false report of an emergency at a school under [Utah Code § 76-9-202](#).

[Utah Code § 53G-8-205\(2\)\(a\) \(2024\)](#)
[Utah Code § 76-5-102 \(2022\)](#)
[Utah Code § 76-5-102.3 \(2022\)](#)
[Utah Code § 76-9-202 \(2024\)](#)

3. Conduct Which Requires 1-year Expulsion

- a. A student shall be expelled from school for not less than one year, subject to the 45-day review process for mandatory year expulsions set forth below, if the student engages in conduct which requires suspension or expulsion (as set out above) and the conduct involves a real or look-alike weapon, explosive, or flammable material.

[Utah Code § 53G-8-205\(2\)\(b\) \(2024\)](#)

4. Discipline Rules for Students With Disabilities

- a. Federal and state laws impose particular requirements regarding discipline of students identified as having a disability or when the school has sufficient notice of a disability. Discipline of such students must comport with the requirements set forth in Policy FHAD for students with disabilities.

Remedial Measures and Disciplinary Sanctions—

Following a determination that a student has committed a violation, the student may be subject to one of the following remedial measures or disciplinary sanctions, as is determined to be appropriate for the violation or as is required by the terms of this policy or other District policies.

1. Remedial Measures

- a. Continued school attendance subject to the terms of a remedial discipline plan prepared to correct the violation. This remedial measure is available only where the violation is for willful disobedience, defiance of authority, or disruptive behavior when such conduct is not of such a violent or extreme nature that immediate removal from school is required.
- b. Continued school and class attendance accompanied by the student's parent or guardian for a designated period of time. This remedial measure is available only with the consent of the student's teacher or teachers and the agreement of the student's parent or guardian. The parent or guardian must agree to attend all of the student's classes for each day of the suspension. If the parent or guardian fails to attend class with the student, the student shall then be subject to suspension or other discipline in accordance with this policy.
- c. In-school suspension. Attendance in a designated in-school suspension program. Students shall be instructed in the essential elements of the courses in which they are enrolled at the time of removal.
- d. Home-based instruction. Instruction at home, provided that combined days of suspension and assignment to home-based instruction shall not exceed ten (10) school days in a semester.
- e. Voluntary transfer. Voluntary transfer to another school, campus, community-based alternative school or other special program within the district, subject to the admission criteria of such alternative programs.

- f. Withholding grade reports, diplomas and transcripts. If a school determines that school or district property has been lost or willfully cut, defaced or otherwise damaged by a student, the school may withhold the issuance of an official written grade report, diploma, or transcript of the student responsible for the damage or loss until the student or student's parent has paid for the damages.
 - i. If the student and the student's parent are unable to pay for the damages or if it is determined by the school in consultation with the student's parent that the student's interests would not be served if the parent were to pay for the damages, then the school shall provide a program of work the student may complete in lieu of the payment. In that case, the school shall release the official grade report, diploma, or transcript of the student upon completion of the work.
 - ii. If the Department of Human Services or a licensed child-placing agency has been granted custody of the student, that student's records, if requested by the Department or agency, may not be withheld from the Department or agency for non-payment of damages under this section.
 - iii. No penalty may be assessed for damages which may be reasonably attributed to normal wear and tear.

[Utah Code § 53G-8-212 \(2021\)](#)

2. Disciplinary Sanctions

- a. Detention. Students in grades kindergarten through six may be detained in school after regular school hours in the event the responsible school administrator determines that such action is justified in disciplining the student. No student may be detained after regular school hours until his or her parent has received prior notice of the detention to take place on a particular school day.
 - i. The notice provided for under this policy need not be completed prior to detention of the student if detention is necessary for the student's health or safety.
- [Utah Code § 53G-8-203\(2\) \(2024\)](#)
- b. Suspension (in-school or out-of-school).
 - c. Involuntary transfer. Involuntary transfer to another school, campus, community-based alternative school or other special program within the District.
 - d. Expulsion.

Authority to Impose Discipline—

The Board of Education hereby delegates to each school principal within the District the authority to suspend a student in the principal's school for up to ten (10) school days, in accordance with this policy.

The Board of Education hereby delegates to the superintendent the authority to suspend a student for up to one (1) school year.

The Board of Education has the authority to expel a student for a fixed or indefinite period.

[Utah Code § 53G-8-206 \(2019\)](#)

Procedure for Imposing Discipline—

Remedial measures or disciplinary sanctions may be imposed on a student only after it has been determined, following appropriate due process, that the student has committed a violation. The nature of the due process required depends in part on the magnitude of the penalty to be imposed. When a student is accused of sexual harassment, the procedure set out in Policy FHAB shall be followed in place of the procedure in this policy.

1. Short-term Out-of-School Suspension

- a. Informal due process hearing. A school principal may suspend a student from school for up to ten (10) school days for a violation. Prior to imposing such a suspension, the school principal shall meet with the student, if possible, to discuss the incident(s) and to provide the student an opportunity to respond. The principal shall then determine whether a violation has occurred and whether suspension or other discipline is appropriate. In appropriate cases, the principal shall consider and offer the student alternatives to out-of-school suspension, including in-school suspension and parental attendance with the student (where appropriate consent from teachers is obtained).
- b. Short-term out-of-school suspension pending due process hearing. If the school principal makes an initial determination that the violation warrants long-term suspension or expulsion, the school principal may recommend those sanctions and may impose a short-term out-of-school suspension pending a hearing on whether those sanctions should be imposed.
- c. Departure from school grounds. A suspended student shall immediately leave the school building and grounds following a determination by the school of the best way to transfer custody of the student to the parent or other person authorized by the parent or applicable law to accept custody of the student.
[Utah Code § 53G-8-206\(5\)\(a\) \(2019\)](#)
- d. Notice of short-term out-of-school suspension. If a short-term suspension is imposed, the principal or assistant principal shall immediately provide notice to the student's parent. Notice shall, if possible, be given by

telephone. If reasonable efforts to contact the parent by telephone are unsuccessful, then written notice shall be sent to the parent. The notice, whether verbal or written, shall include the following:

- i. That the student has been suspended from school.
- ii. The grounds for the suspension.
- iii. The period of time for which the student is suspended from school.
- iv. The date, time and place for the parent and student to meet with the principal or assistant principal to review the suspension. This meeting shall be scheduled to occur as soon as is practicable, but in all cases prior to the end of the tenth day of the suspension.

Goss v. Lopez, 419 U.S. 565 (1975)
[Utah Code § 53G-8-206\(4\) \(2019\)](#)

- e. Notice of recommended expulsion or long-term suspension. If the principal or assistant principal has recommended that the superintendent expel the student or suspend the student from school for a period longer than ten days, that fact shall be included in the notice to the parent or guardian.
- f. Meeting to review out-of-school suspension. At this meeting, the principal or assistant principal shall review with the parent and student the charges and evidence against the student and shall provide the student and parent with an opportunity to respond. During this meeting, the principal or assistant principal may determine whether the suspension previously imposed should be maintained, whether to adopt an alternative remedial measure, or whether the suspension should be terminated. The principal or assistant principal should also discuss with the parent a plan to avoid recurrence of the problem.

[Utah Code § 53G-8-206\(5\)\(b\), \(c\) \(2019\)](#)

2. Long-term Out-of-School Suspension or Expulsion

- a. Due process hearing. If the principal or assistant principal recommends long-term suspension from school or expulsion, he or she shall notify the superintendent of that recommendation. The superintendent shall then schedule a hearing to be held with the student's parent or guardian, the student, and the superintendent or the superintendent's designee. The hearing shall be scheduled to take place prior to the tenth day of the student's suspension from school where possible.
- b. Notice of hearing. The superintendent shall provide written notice of the date, time and place of the hearing to the student and his or her parent or guardian so as to afford a reasonable opportunity for preparation. The notice shall include a statement of the charges against the student, that a recommendation has been made for suspension from school for more than 10 days or for expulsion and the period of time for which suspension

or expulsion has been recommended. The statement of the charges against the student shall include the nature of the evidence and the names of any witnesses whose testimony may be used against the student unless confidentiality is required due to the necessity to protect student witnesses.

Wagner v. Ft. Wayne Community Schools, 255 F. Supp. 2d 915 (N.D. Ind. 2003)

- c. Conduct of hearing. The superintendent or the superintendent's designee shall preside at and conduct the hearing at the appointed time and place. The district and the student may each be represented by a person of their choice. Each side may present testimony of witnesses or other evidence, may cross-examine witnesses and may make legal arguments relevant to the issues. However, the district may present hearsay evidence if confidentiality is required due to the necessity to protect witnesses.

Wagner v. Ft. Wayne Community Schools, 255 F. Supp. 2d 915 (N.D. Ind. 2003)

- d. Decision. At the conclusion of the hearing, the superintendent or designee shall make a final determination of the matter and shall state his or her determination to those attending the hearing. The determination shall then be placed in writing and mailed to the student and his or her parent. Upon a finding that the student has engaged in conduct warranting discipline, the superintendent may determine what discipline or remedial measures are appropriate for the conduct. If the superintendent determines that the appropriate sanction is expulsion, then that sanction must be authorized by the Board of Education as set out below. Apart from expulsion, the superintendent may impose any of the available remedial measures or sanctions as are found to be appropriate. In determining the appropriate sanction, the superintendent shall consider whether alternatives to suspension are appropriate or available.

[Utah Code § 53G-8-206 \(2019\)](#)

[Utah Code § 53G-8-207 \(2019\)](#)

- e. Appeal. A student may appeal the determination of the superintendent to the Board of Education by filing a written notice of appeal with the superintendent within ten (10) days of the date the decision of the superintendent is mailed to the student. No further hearing will be held. The Board will review the evidence submitted to the superintendent and the written determination of the superintendent. The Board may affirm the superintendent's decision or modify the Superintendent's decision. The Board's written decision will be issued within thirty (30) days of receipt of the student's written notice of appeal.
- f. Board evaluation of expulsion recommendation. If the superintendent recommends expulsion for an indefinite or definite period of time, then the superintendent will transmit that recommendation to the Board of Education along with the record of evidence submitted to the

superintendent. The Board may review the recommendation based on this record or may at its sole discretion accept further evidence. Following its review, the Board may accept, modify, or reject the recommendation, or impose other disciplinary sanctions. This decision is final.

[Utah Code § 53G-8-206\(3\) \(2019\)](#)

- g. 45-day review of mandatory one-year expulsions. Where a student has been expelled for one year because of a violation involving a weapon, explosive, or flammable material, a hearing shall be held within 45 days of the imposition of the expulsion. This hearing shall be held before the superintendent or the superintendent's designee and shall be attended by the student and a parent of the student. At this hearing, the superintendent shall determine
 - i. what conditions must be met by the student and the student's parent for the student to return to school, including conditions or restrictions required as part of a student reintegration plan;
 - ii. whether the student should be placed on probation in a regular or alternative school setting, and if so what conditions must be met by the student to assure the safety of students and staff at the school the student is placed in; and
 - iii. if it would be in the best interest of both the school district and the student to modify the expulsion term to less than a year, giving highest priority to providing a safe school environment for all students.
 - iv. If the superintendent or his or her designee determines that the student should return to school prior to the expiration of the one-year expulsion term conditioned on compliance with the conditions established by the superintendent, then the superintendent shall submit that recommendation to the Board of Education. If the Board of Education approves the return, the student may return to school pursuant to the conditions established.

[Utah Code § 53G-8-205\(2\)\(b\) \(2024\)](#)

- h. A student may be denied admission to a public school on the basis of having been expelled from that or any other school during the preceding 12 months.

[Utah Code § 53G-8-205\(3\) \(2024\)](#)

Evidence in Student Hearings—

All student disciplinary hearings shall be conducted by the Board or its designee in an executive session. All evidence presented in such hearings shall constitute student educational records and shall be treated as "confidential". The District hereby designates all student records as "protected" under the Government Records Access Management Act. The names of students giving statements used in

a student hearing involving other students may be protected and redacted where necessary to protect the students from threats of harm or interference with the educational process.

Notification of Offense on School Property—

Whenever a minor commits an offense on school grounds when school is in session or at a school sponsored activity and that information is reported to or known by a school employee, the school employee shall notify the principal. Education of Students Subject to Discipline—

The educational services that will be provided to students subject to discipline will depend upon the nature of the discipline.

1. Students subject to remedial measures. Students subject to remedial measures such as a remedial discipline plan, class attendance with a parent, or in-school suspension will continue to receive educational services from the district according to the remedial measure. A student transferred to another school or program within the district will receive educational services through that school or program.
2. Parental responsibility for education. When a student is expelled or is suspended from school for more than 10 days, it is the responsibility of the parent's student to undertake an alternative education plan which will ensure that the student's education continues during the period of the suspension or expulsion. The parent shall work with designated school officials to determine how that responsibility might best be met through private education, alternative programs offered by the district, or other alternatives which will reasonably meet the student's educational needs. Costs for educational services not provided by the district are the responsibility of the student's parent.

[Utah Code § 53G-8-208 \(2020\)](#)

3. Review of student progress. The district shall contact the parent of each suspended or expelled student under the age of 16 at least once per month to determine the student's progress.

[Utah Code § 53G-8-208\(4\)\(b\) \(2020\)](#)

4. Record of disciplined students. The district shall maintain a record of all suspended or expelled students and a notation of the recorded suspension or expulsion shall be attached to the student's cumulative folder.

Readmission of Suspended or Expelled Students—

1. Suspended students. A suspended student may not be readmitted to a public school until the student and the student's parent or guardian have met with a designated school official to review the suspension and have agreed with the school official upon a plan to avoid recurrence of the violation resulting in suspension. At the discretion of the principal, the student may be readmitted if the student and the student's parent or guardian have agreed to participate in such a meeting. However, a suspension may not extend beyond ten (10) days unless the student and the student's parent or guardian have been given a reasonable opportunity to meet with a designated school official to respond to the allegations and proposed disciplinary action.
2. Expelled students. The superintendent or his or her designee shall review the expulsion sanction of each expelled student at least once per year and shall report the conclusions of such review to the Board of Education. The superintendent or his or her designee may make recommendations regarding whether such sanction should be modified or removed, and what conditions, if any, should be imposed on the student's readmission. If the Board has expelled a student for a set period of time and has not otherwise specified, at the expiration of that expulsion term a student may enroll at his or her area school on the same terms as a new student.
