 - Goal 2: Review English/Writing SLO increase by .3%
 - Goal 3: Technology
 - Goal 4: Fine Arts
 - Goal 5: College and Career Readiness
- Spending- looked over spending currently. Still \$70,000 to spend. Teachers get new computers this year from a grant.
- Rural Schools and other professional development
- Mr. Mason- next year will teach Medical Science new CTE Pathway.
- Teacher really like CommonLit
- Library books- include SORA
- Art \$500 for next year, probably \$1000 because of price inflation
- Leslie- English Language Arts Materials for this year.
- Discussion of Goals for next year.
 - Doing research, making SMART Goals that are realistic.
 - Looking at State scores to help gauge where we are at.
 - Review data to compare the two.
 - Leslie requested time to review data before creating our plan.
 - Eloisa- Data from Spanish class.
 - Comparison of SpEd compared to typical students.
 - Jennica will share Data Collection in preparation of making goals.
- Leslie talked about the last couple years teachers have become more complacent and less intentional.
- Tutoring and remediation- is part of the plan but it isn't consistent or when best for students. Make this more mainstream and known.
- Heidi talked about- After school program for tutoring.
- Minder Time- Used for Ds and Fs, make up work.
- Classes- Outdoor Rec., Nutrition, Life Skills, Exploration, etc
- Questions/Comments

Heidi motioned to adjourn.
