Reports

Mr. Jason Strate of Central Utah Education Services presented information to the board and reviewed the services his office provides to Tintic School District including: Eduroam WiFi connections, an Early Learning Coach who has been teaching the LETRS program to teachers and provides continued support, a school psychologist who also helps with IEP testing, therapy and coaching sessions for teachers to help students with suicidal tendencies, mental health, behavior, and learning issues, teacher licensing and endorsements. Superintendent Thornock thanked Mr. Strate for all the support CUES provides as well as being a pipeline for information regarding legislation.

Mr. Mark Allen, Technology Director, stated that the Information Technology department at CUES also provides support to him and could be used as backup if ever needed. Mr. Allen stated that Tintic School District is able to have certain technology because of the partnership with CUES that wouldn't be affordable otherwise. Mr. Allen reported that installation of the new security systems in all buildings will begin this week. Mr. Allen explained a couple of aspects of the installation will be new upgrades of the communication systems and applications to include emergency services and panic button systems. Mr. Allen reported the installation could take up to two months and there will be issues to work out along the way.

Mrs. Karen Kramer, Elementary Schools Principal, showed a slide presentation put together by Mrs. Jennifer Kimball to report on the library party at the West Desert Elementary School. Mrs. Kramer reported the activities to be held in conjunction with Dr. Seuss Week. Mrs. Kramer stated she and high school principal, Mrs. Jennica Beckstrom, have created a calendar of events for the rest of this school year that that she would provide access to the board members.
