GCB

1. RELATIONS WITH COMMUNITY SUPPORT GROUPS

For purposes of this policy, all student booster groups, parent booster groups or other community groups whose aims or goals include in part furthering the goals of the Tintic School District shall be referred to as *Community Support Groups*.

In the absence of a specific written authorization by the Superintendent, no Community Support organization is authorized to act on behalf or represent the Tintic School District. All activities of Community Support Groups, unless otherwise specifically authorized and recognized in writing, do not act for or on behalf of the Tintic School District and any implication of actual or apparent agency of such Community Support Groups to act on behalf of the School District is hereby negated and specifically rejected.

2. USE OF SCHOOL DISTRICT NAME OR INSIGNIA

In addition, no organization shall be entitled to use any Tintic School District insignia, designation or name without express written permission of the Tintic School District. All written material listing or using, in any representative capacity, a School District or individual school name, must also contain a disclosure that the association or entity does not act on behalf of the School District unless express written permission has been granted by the School District to do so.

3. VOLUNTEER WORKERS

An individual volunteer worker who has been retained by a Community Support Group does not have any authority to bind the Tintic School District or to represent or act on behalf on the School District unless otherwise specifically indicated in writing by the Superintendent of the Tintic School District.

4. LIABILITY INSURANCE

No individual, corporation or association or other entity shall be covered under the Tintic School District's insurance policies and/or State Risk Management policies unless State Risk Management has specifically undertaken responsibility for such activities. All persons who are solicited and undertake to perform services at the request of a Community Support Group, should look solely to that Community Support Group for any insurance coverage or coverage of risks.

5. DISCIPLINE PROBLEMS

In the event that a volunteer of a Community Support Group undertakes to perform services on behalf of the Tintic School District at the request of the Community Support Group, such volunteer shall report all disciplines problems to the School District for oversight and correction.

6. COMMUNITY SUPPORT GROUP USE OF FACILITIES

A Community Support Group may use the school facilities under the same circumstances and

conditions as identified in the Tintic School Board Policy GC above. However, the Tintic School District may, within its discretion, waive fees for use of the school building/facilities by such Community Support Group.
