

PUBLIC INFORMATION PROGRAM RELATIONS WITH STATE EDUCATION AGENCY SECONDARY SCHOOL ACCREDITATION

GHB

1. MEMBERSHIP AND ACCREDITATION

Utah public secondary schools, as defined in R277-410-1F, including charter schools, shall be members of Northwest and be accredited by Northwest, except as exempted by R277-412-3C and R277-413-3K.

R277-410-3 (2006)

2. ANNUAL ACCREDITATION REPORT

All Northwest accredited schools shall complete the annual accreditation report and file the report in accordance with USOE procedures.

R277-410-3 (2006)

3. REQUIREMENTS FOR 7-12 SCHOOLS

If a school includes grade levels for which accreditation is both mandatory and optional, the school shall be accredited in its entirety.

R277-410-3 (2006)

4. DISTRICT SUPPORT

The Tintic School District supports this process and encourages all secondary schools in the Tintic School District to complete the accreditation process in accordance with the rules, guidelines and regulations set forth by the Utah State Accreditation Committee.

It shall be the responsibility of the individual secondary schools to obtain and follow the Utah State Accreditation Committee's procedures, policies and guidelines.
