

## **Tintic High School Community Council**

**March 13, 2023**

**5:15 p.m.**

Members in attendance:

- Jennica Beckstrom
- Leslie Wilbanks
- Lyndsay Garbett
- Summer Despain
- Jeana Rowley (via Zoom)

English and science went down the most.

Teachers said they would like to keep the goals the same.

1. Supervision
  - a. Rigor- Funded through State- alignment trainings on Friday's
  - b. Focus on core classes for both secondary schools
  - c. Cell phones interfering with instruction
  - d. Administration is working on a Positive Project
2. Goals-- Review-- look at current year not previous year.
  - a. Goal 1- Leslie explaining proficiency
  - b. Discussed ways to build an inventory that is rigorous, but informative.
  - c. Discussed 7 Mindsets and possibly replacing it with a different plan/system. Look into Sources of Strength

Jennica writing goals as we discussed them.

Goal #1: Math

Tintic High School students at or above proficiency will maintain or increase and students below proficiency will increase their percentage on the school end of year math inventory by 5% from 2022-2023 school year to the 2023-2024 school year.

Goal #2: English

Tintic High School students at or above proficiency will maintain or increase and students below proficiency will increase their percentage on the school end of year language arts inventory by 5% from 2022-2023 school year to the 2023-2024 school year.

Goal #3: Fine Arts

Tintic High School students will improve by 5% on performance and theory in the fine arts curriculum throughout the 2023-2024 school year.

Goal #4: College and Career Readiness

Tintic High School will increase the number of students by 5% who are college and career ready through participation in CTE courses and participation in CTSO's by the end of the 2023-2024 school year.

3. Motion to adjourn meeting- Lyndsay, seconded by Leslie.
