

Minutes
EES Community Council

3rd Meeting - March 26, 2024

Members Present: Karen Kramer, Nancy Underwood, Marc Rowley, Crysta Steele, Jessica LaCario

Additional Present: none

Members Absent: Heather MacLee

Crysta went over last meeting's minutes.

Mrs. Kramer gave update on math. She explained K-3 teachers attended Mike Flynn training. Mrs. Underwood talked about training and the great ideas that came from it. Mrs. Kramer expanded on it and talked about having a math focus next year. She then went over spending for this year and explained that we have about \$12,000 to spend. She explained that there is a training the end of June that we will pay teachers to attend. There is also a need to start replacing teacher surface pros. She explained these expenditures are part of the current plan and so an amendment isn't needed, but she wanted to make sure the council was aware of plans for remainder of current year's plan.

Mrs. Kramer passed out TSSA plan and reviewed it. She also went through the goals and data related to it. There was a discussion about data and if goals should be adjusted. It was determined that goals were set were still valid and should remain the same. She then went through the plan of expenditures and the council discussed the needs and determined the plan as presented would address goals and needs of the school. Crysta made a motion, Marc seconded, and it was approved unanimously to accept the plan for the 2024-2025 school year.

Marc did express some concerns regarding attendance and encouraged the council to continue to find ways to address attendance issues. He suggested the possibility of hiring someone that monitors attendance. Mrs. Kramer said she would look into it further and report back to the council at a later date.
