

September 10, 2020

Dear Parents,

Tintic School District is excited to announce that all students enrolled in Eureka Elementary and Tintic High will now receive free breakfast and lunch under a temporary waiver from the USDA.

- Tintic School District has chosen to backdate this service to September 1, 2020. If your child was charged a reduced or free price meal between September 1 and September 10, 2020, refunds to your child's lunch account will be posted by September 16, 2020.
- Please note the USDA waiver is temporary and Tintic School District will try to provide a two-week notice to parents prior to the waiver expiring or funding runs out.
- Due to food and labor availability, this free service is only offered to children who are enrolled in Eureka Elementary and Tintic High grades K-12.
- Online students may still request meals by contacting their school secretary.
- A la Carte milk will remain \$.25 and charged to a student's account.
- Tintic School District encourages parents to fill out a free and reduced price meal application which can be found on our [website](#).

If you have any questions, please contact your child's school:
