<p>The Utah State Board of Education addressed competitive foods and services in schools by enacting that <b>local education agencies may hold specifically exempted fundraisers no more than three times per year per site, with each fundraiser lasting no longer than five consecutive school days.</b> This direction aligns with the Healthy Hunger-Free Kids Act of 2010, which directed the USDA to establish nutrition standards for all foods and beverages sold to students in school during the school day, including foods sold through school fundraisers. The standards provide support to encourage healthy options in school while providing a special exemption for infrequent fundraisers that do not meet the nutrition standards.</p> <p><b>For an overview of the Smart Snacks in School standards visit <a href="http://www.fns.usda.gov/sites/default/files/allfoods_flyer.pdf">http://www.fns.usda.gov/sites/default/files/allfoods_flyer.pdf</a>.</b></p> <p><b>Each fundraiser event needs to be documented.</b></p>
