

March 29, 2020

Dear Tintic School District Parents and Patrons,

As many of you may have heard, the Governor has initiated some additional guidance as of 4 p.m. (Friday, March 27, 2020). Full details of this directive can be found at <https://coronavirus.utah.gov/latest/>.

Some of this new guidance applies directly to our school operations as follows:

- Distance learning WILL CONTINUE through May 1st.
- All school doors will remain locked and not open to the public. School main offices will still be accessible by phone or email from 8:00 AM – 12:30 PM, but with limited personnel, and all parents and students SHOULD CALL IN ADVANCE and set an appointment to ensure appropriate social distancing.
- Students needing something from inside the school should call the front office, and an employee can retrieve the item, wherein the student or parent will come to the school during the Grab & Go meal service to gather the item.
- Playground equipment and areas are now CLOSED AND LOCKED (this does not include open field spaces, but please practice safe social distancing).
- Grab and Go Meal service, we remind you of our operation times 12:00 PM – 12:30 PM. Please spread out during these times as much as possible to ensure appropriate social distancing.
- As indicated by the Governor, additional more restrictive guidance may be forthcoming from our local Health Department. We will update you on that guidance when it is received.

Thanks for your help and support of these initiatives designed to help prevent the spread of COVID-19. I wish you well and hope you stay safe and healthy.

Sincerely,

**Dr. Kodey Hughes, Ed.D**  
**Superintendent of Schools**  
**Tintic School District**
