We extend a warm welcome to students, parents, and families of Tintic High School, *Home of the Miners*. Our staff has been busy preparing for the upcoming year and are looking forward to another great year at THS. We have many extra-curricular activities and programs we would encourage students to get involved in. There is something for everyone (band, athletics, drama, game club, student government, etc.) Please read through the following information and make note of the date and time of your student's registration. To make it easier for parents, the students are allotted a time slot by last name, and all students in one family can come at the same time. Registration will be held at the Tintic District Office, 545 East Main, for both High School and Elementary students, with coordinated times.
