17 February 2021

Here are the proposed amendments to the Eureka Elementary School Land Trust Plan.

Proposed amendment: The council voted and approved the following amendment.

*In Goal #1 We propose to purchase the Acadience assessment for use in grades 4-6 for \$600. That amount is how much we saved on our purchase of the Reading Horizons Software and Fluency Tutor. Acadience was not put into the plan originally. We overlooked this as we made our plan as we have had it in our plan for many previous years. This Acadience program is how we measure our progress for goal #1.*

Proposed amendment: The council voted and approved the following amendment.

*In Goal #1 We propose to purchase more Chromebooks and Headphones for student use in the classroom and possibly limited use at home. Some of the items that we were going to purchase are not going to cost us as much or nothing and that leaves us with \$5,000 to make this purchase.*

At the community council meeting held on 16 February, the council voted and approved the above amendments.
