- Welcome
  - Roll Call
    - MJ, MD, JK, JL, KK, AM
- Mrs. Kramer told council about new teacher for next year, Mary Westover
- Here is the tentative plan that has been put together.
  - Goal #1 Professional Development
    - Increase academic engagement and achievement by providing teachers and paraprofessionals with professional development that will enhance and improve instruction.
      - Rural Schools Conference: July 8-10, 2020 in Richfield Utah.
      - Smart Board Training - Can we provide this for April & Cindy also?
      - Any other PD opportunities need to go through Mrs. Kramer
  - Goal #2 Literacy Development
    - Increase academic performance and success in reading development and comprehension.
      - Purchase more classroom sets for guided reading.
      - Purchase more up to date books for the library.
      - We want to leave this open-ended for new teacher to select books.
  - Goal #3 Math Literacy
    - Improve student grades, success and achievement with a new math based curriculum.

- New teacher might want to purchase a new math program.
  - This will ultimately be decided by Mrs. Kramer & Mrs. Westover.
  - New teacher might need new manipulatives.
- Goal #4 Technology
  - Improve student technical knowledge, ability and interaction by providing current technologies in the classrooms for students and teachers.
    - New teacher might need a laptop.
    - Repair and or replace student chromebooks
    - Replace if there is a need for student headphones
