  - Nevada kids are not included in the count for the funding.
  - Mrs. Kramer is still working with J. Snell about funding and where we are.
  - Mrs. Timm stipend for LETRS. Mrs. Kramer is working with a person on funding from the state to help cover the amount. Also, went into Utah grants and the funding isn't there yet. But Mrs. Kramer will continue to work on the funds from the professional learning grant. Once that is finalized, Mrs. Kramer will send that information out to the Council.

  - Do we still want
    - Reflex Math - Yes. \$350.00
    - Math Manipulatives - Nope
    - Acadience Assessment - Pays K-3. Doesn't pay for the older kids. Mrs. Kramer is going to look into this and see if it is still needed.
    - Science Kits - Mrs. Timm purchases them. Mrs. Westover/Mrs. Kramer will inquire where Mrs. Timm gets them and do we need to get the order placed? \$430.00
