September 26th, 2022 Meeting Notes

- Tintic School District Board Member Young and Despain attended this meeting over Zoom.
 - Attendance for the meeting: all council members were in attendance
 - Contact information was checked and put on the school website
 - We reviewed the state school land trust website and introduced the council to training opportunities
 - gave updates on the current plan, and the need for the redistribution of funds was discussed
 - two amendments were written, and the council approved them for presentation to the TSD Board of Education at their October Board meeting
- They are as follows:
- Goal #2 Need to redistribute the \$1000.00 from the Chromebooks purchase and put those dollars towards books in the library and/or English/ELA software.
 - Goal #3. Use the \$200.00 set aside for the guitar class and put it towards drama.
- WDHS will contact Brandon Harrison from CUES to come to the school to present best practices for schools and students in dealing with internet safety.
 - Meeting was adjourned
